About This Content

With the power of the immortals great strength is bestowed upon you! The Monkey King outfit includes its own buff, signature weapon, and vehicle. While wearing this full-body outfit you are automatically granted a double-handed staff during melee and can travel across Hong Kong on the unique Cloud Motorcycle.

Please note that there is no Russian language support available for this content. This DLC will not be loaded if the current language is set to Russian.

Hard Drive: 15 GB HD space

Sound: DirectX compatible sound card

Other Requirements: Broadband Internet connection

English, French, German, Italian, Polish

Sleeping Dogs: Monkey King Pack is DLC for Sleeping Dogs which adds a new outfit, vehicle, and weapon. The vehicle is a motorcycle which creates a cloud effect as you drive which is honestly a little distracting, and the outfit comes with the weapon and a minor buff to the character. It's amusing enough if you are REALLY jonesing for more Sleeping Dogs and can't get enough of it, but otherwise I'd say this DLC is not worth the price.
